

## STATEMENT OF PURPOSE

### RS21141

This Act will prevent non-resident simulcast companies with advance deposit wagering affiliates from discriminating against Idaho simulcast licensees, by engaging in anti-competitive practices aimed at eliminating Idaho competition and Idaho jobs for the benefit of out-of-state advance deposit wagering companies.

## FISCAL NOTE

Passage of this Act could prevent some reduction in state income and sales tax receipts due to job losses at Post Falls, Boise, and Idaho Falls simulcast operations.
